Certificate of Appreciation

M/S Shankar Electricals

09, 3rd Main, Ashwini Layout,
Off Koramangala Ring Road
Bangalore - 560 047.

Dear Rajesh Shetty,

Let me first congratulate you & your entire team, for having successfully completed the electrification project, to our total satisfaction at our new site in Bagmane WTC of approx 120000 sft.

I would also like to place on record the support that you have rendered to ensure that in face of all adverse situations, you & your team @ Shankar Electricals have managed to stand by us, resolve issues & make a complete turnaround in the given time frame.

I would specifically want to highlight the instance where in you were able to source & install standby light fittings with in 24 hours, in the full floor, which otherwise would have hampered our BAU, an effort worth commendable as it has saved our day.

We would also want to highlight & place on record the excellent quality, workmanship, adherence to safety precautions, timely supply chain mechanism of the materials & the dedication of the team at site. Would also want to thank you for your leadership & commitment which has ensured that the job is well done without any compromise at any stage.

We were always happy & confident with your facilities / maintenance team, now you have also proved your capability in executing projects of such magnitude. This fast track project could not have been achieved without your wholesome support.

We thank you for helping us to deliver this project in record time frame, which has critically helped us in meeting our goals.

We surely look forward to work with you in all of our future projects.

Thanking you,

Yours faithfully,
For Logica Pvt Ltd

Naveen Raj
Head Administration & Facilities.
